Avoid accreditation and scoring mistakes
Our solutions are fully compliant with all official rules and regulations. FIG Rules for Accreditation, FIG Code of Points with appendices, UEG and custom national rules – over the years, every tiny detail of reference documents was implemented in our systems. Complex access zone permission system or tie-breaking rules? We got it covered.

Create the best experience for OC, team managers, TC, CJs, judges and spectators
All reports are clean and informative, available immediately and updated in real time. Colorful scoreboards add up to great spectator and athlete experience, featuring:

- athlete photos
- country flags
- ToF and execution score histograms
